Description

The INVICTUS TT 460

Is a nautical engineering masterpiece that combines performance, luxury, and style. Conceived by the famous designer Christian Grande, this yacht represents the pinnacle of innovation in the maritime industry, offering an unmatched experience on the water. With a length of nearly 14 meters, the INVICTUS TT 460 stands out with its bold design and sleek profile, symbolizing strength and elegance. Its look is enhanced by a clean waterline and high-end finishes, making it a true jewel of the seas. The main deck of the INVICTUS TT 460 is designed for pleasure and comfort, offering a vast living space with luxurious relaxation areas, including a spacious outdoor salon, a sunbathing area at the bow, and a generous bathing platform, allowing easy access to the water. The interior, meanwhile, is a mix of functionality and refinement, with spacious cabins, a fully equipped kitchen, and an elegant indoor lounge, all finished with the highest quality materials. We are delighted to present to you the premium comfort options available for your selection : Hydraulic Platform: Elevate your access to the water with our state-of-the-art hydraulic platform. This feature allows for effortless launching and retrieval of water toys and provides a stable and secure area for swimming and lounging right at sea level. The platform can be adjusted to various heights, making it versatile for all your water activities. Stabilizers for Navigation and At Rest: Experience unparalleled stability both while cruising and at anchor with our cutting-edge stabilizers. These systems significantly reduce the boat's roll, providing a smoother and more comfortable ride. Whether you're navigating choppy waters or enjoying a
